19.00 - 19.30	Welcome cocktail Restaurant Scheltema, Rue des Dominicains 7
19.30-22.00	Working dinner in restaurant Scheltema, Rue des Dominicains 7, upon reservation only
	Presentation by UEP and EAP presidents
	Prof. Tamás Hacki, Regensburg, Budapest: Demonstration and Explanation of Whistling Techniques

SATURDAY 2ND MAY

08.30-08.35	Welcome by EAP and UEP presidents
08.35-08.45	Prof. Felix de Jong, Leuven-Uden: Psychosocial aspects in voice problems - first aspects
08.45-09.30	Prof. Rolf Dierichs, Münster: Functional anatomy of the respiratory and phonatory system
09.30-10.00	Prof. Erkki Vilkman, Helsinki: Role of external laryngeal muscles - frame function
10.00-11.00	Pneumologist Prof. Benny Mwenge, Brussels: Non-phonatory (Silent) Respiration - physiology, diagnostics, typical findings

	Prof. Jürgen Wendler, Berlin: Phonatory Respiration – controversial perspectives on physiology, diagnostics, typical findings
11.00-11.30	Coffee break
11.30-12.30	Prof. Philippe Dejonckere, Leuven/Brussels: Physiological aspects of voice production: vocal fold vibration and resonance
12.30-13.30	Lunch
13.30-15.00	Diagnostics voice with practical exercises I
	Dr. Ahmed Geneid, Helsinki: Laryngoscopy, stroboscopy and high-speed imaging
	Prof. Felix de Jong, Leuven-Uden: Videokymography, vocal fold vibration
15.00-15.30	Coffee break
15.30-17.00	Diagnostics voice with practical exercises II
	Prof. Tamás Hacki, Regensburg, Budapest: Electroglottography as a clinical tool - a short introduction (20 minutes)
	Voice Range Profile Measurement: physiological basis, technique, assessment of findings (40 minutes)
17.00-17.30	Seniors' Discussion
18.00-20.00	Sightseeing centre of city Brussels by foot, guided by Prof. Philippe Dejonckere
20.00-22.00	Dinner in restaurant La Rose Blanche, Grand Place 11., upon reservation only

SUNDAY 3RD MAY

08.00-10.00	Prof. Gauthier Desuter, Brussels: Abnormal laryngeal motions and respiratory phases, laryngeal reinnervation with the phrenic nerve
	Prof. Virginie Woisard, Toulouse and pneumologist Prof. Benny Mwnege, Brussels: Voice disorders related to respiration, e. g. inducible laryngeal obstruction, paradoxical vocal fold movement, chronic cough... With audio and video samples
10.00-10.45	Prof. Rosa Eugenia Chávez Calderón, Mexico City: Voice and allergy
10.45-11.15	Coffee break
11.15-12.00	Dr. Louisa Traser, Freiburg i. Br.: Singing voice and

	breathing
12.00-13.00	Case studies by lecturers as task for the participants
13.00-14.00	Lunch bag and farewell Handing of multiple choice CME questionnaires and evaluation forms to all participants Departure

The registration fee includes the following:

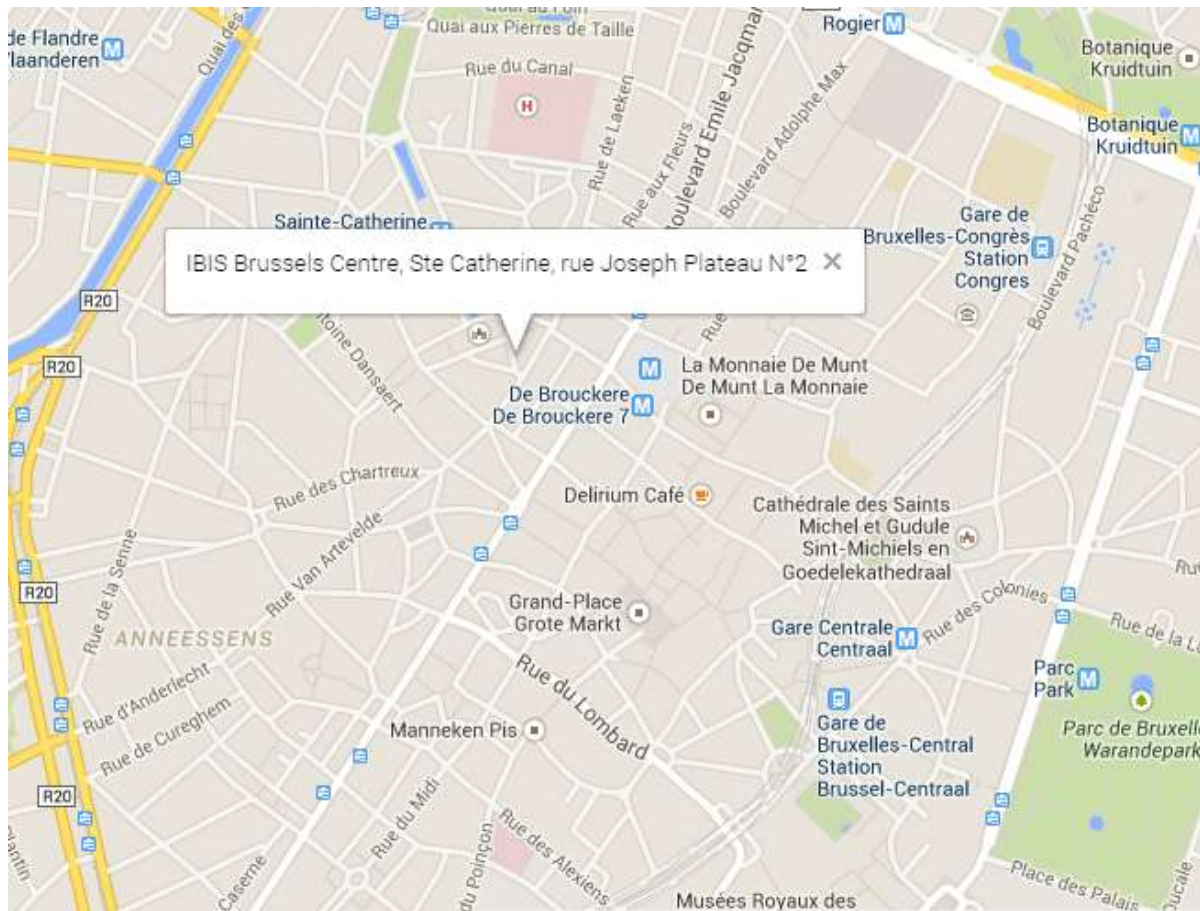

- Participation to all sessions of the course
- Course folder
- Welcome Cocktail at the Scheltema Restaurant, Friday, 1st May: 19.00
- Catering during the breaks:
 - - Friday, 1st May: 16.30 - 16.50
 - - Saturday, 2nd May: 11.00 - 11.30, 15.00 - 15.30
 - - Sunday, 3rd May: 10.45 - 11.15
- Lunch on Saturday, 2nd May and lunch bag on Sunday, 3rd May
- City Tour in Brussels, on foot, on Saturday Evening

FEE	
UEP member	200 €
Non UEP member	250 €
Trainee UEP member	120 €
Trainee Non UEP member	150 €
ELS member	-10%

REGISTRATION REQUEST

For a registration request to the course please contact the UEP office (Nicole Neptun, uep-office@phoniatics.eu) or use the registration form on www.phoniatics-eu.org or www.phoniatics.eu. Go to the menu "Education" and select "European Academy of Phoniatics (EAP)". On the page "Course: Voice and Respiratory Function" you will find the registration form.
